**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider (Sonic) because its cheaper with way better service. So far Ive been super happy with my decision and have fast internet. Ive heard horror stories from my friends about having to work with traditional providers like Comcast. I hope Im able to continue using my provider and hope that others have to choice to do so as well!
